

2017 MEETING OF
ROCK CREEK WATER DISTRICT 47-0
MARCH 6, 2017

The 2017 Rock Creek water users meeting was called to order by the Secretary-Treasurer Shari Helman. There were 14 water user representatives in attendance along with two staff members from IDWR. Nominations were opened for chairman to conduct the meeting. Rodney Hopwood was nominated and there was a call for a unanimous vote which passed.

Rodney called for the reading of the minutes from the 2016 meeting. The minutes were read and corrected. The correction being in the first line of the paragraph concerning the change in the minimum users fee; "I have a mind to" was changed to say "I could". Minutes were approved as corrected.

OLD BUSINESS

The issue with the beaver problem was once again addressed with no real solutions other than getting in touch with Fish & Game and let them know what the real issue is and where.

ELECTION OF WATERMASTER

Nominations were opened: Amie Helman and Brian Beckman were nominated. The votes were cast by a show of hands and Amie Franklin was voted in to continue the job that she had helped her late husband do.

ELECTION OF SECRETARY-TREASURER

Shari Helman was once again voted in to continue the duties of Secretary-Treasurer.

BUDGET

The budget now stands at \$7300 per year. \$6000 for the Watermaster; \$650 for Secretary-Treasurer; \$525 for Workers' Comp and \$125 for miscellaneous expenses.

Garry Nielsen made the motion to keep the budget where it is for this year; Matt Nail seconded it and the motion carried.

The budget will remain at \$7300 for the 2017 water use year.

ADVISORY BOARD

Garry Nielsen stated that he felt the need to step down from the board as representative of the minimum users, at this time, due to personal reasons. Brian Beckman agreed to take this position and represent the minimum users on the Advisory Board. Matt Nail made a motion to retain all the other members; Ed Smith seconded the motion; Motion Carried. The members are: Poncho of RCR, East Ditch, and main fork of Rock Creek; Rodney Hopwood, West Ditch and Billy Williams, representative of the expansions area

WATERMASTER REPORT

Amie Franklin reported there needed be repairs done to the lower ditch; and to be sure and check, very carefully, all the diversions for repairs due to the heavy runoff. She reported that some flow meters were plugged at the end of last year and to be sure and inspect them so they would be readable by water use time. There was some discussion on how the minimum users measure their water. They do not have flow meters because of the expense so they have been allowed to use 6 sprinkler heads with a specific sized nozzle instead.

ADOPT RESOLUTIONS FOR THE YEAR

It was determined there was no need for any new resolutions to be adopted or changes to be made to any that we already have on the books.

A motion was made and seconded to adjourn. Motion Carried.

Meeting Adjourned.

Respectfully submitted,

Shari Helman, Secretary-Treasurer
