Agenda ANNUAL MEETING of WATER DISTRICT 36A

Tuesday, January 16, 2018 1:30 PM, Legion Hall, Hagerman, Idaho

- 1. Call to Order
- 2. Welcome and Introductions
- 3. Election of Chairman
- 4. Approval of Minutes from the 2017 WD36A Annual Meeting
- 5. Adoption of 2018 Resolutions
- 6. Approval of 2018 Budget
- 7. Selection of 2018 Advisory Board Members
- 8. Water Master's Report & Goals for 2018
- 9. District News and Updates

Frank Erwin

10. Adjourn

2017 WD36A Water Master, Secretary/Treasurer, Chairman and Advisory Board Members:

Water Master

Linda Lemmon	Secretary/Treasurer			
Gary Lemmon (Big Springs Water Users Assoc.)	Chairman			
Bud Huntley (Big Bend Irrigation & Mining Co.)	Board Member			
Billy McCarthy (Hunt Ditch, Buckeye Farms Inc.)	Board Member			
John Mavencamp (Brailsford Ditch)	Board Member			
Howard Morris (Hoagland Tunnel Ditch)	Board Member			
Brandon Tycz (IDFG)	Board Member			
Dan Yore (Buckeye Ditch)	Board Member			

Water District 36A – Annual Meeting January 16, 2018

American Legion Hall, Hagerman, ID

(1-3) Call to Order, Meeting Chairman Election & Welcome

Frank Erwin, 36A Water Master, opened the meeting at 1:30 pm and introduced IDWR Staff from the Twin Falls office (Nathan Erickson, Corey Skinner). Frank asked for nominations for a meeting Chairman. **Bud Huntly nominated and David Cropper seconded Gary Lemmon as meeting Chair.** No other nominations were received and nominations were closed. **Gary Lemmon was elected Meeting Chair by hand vote with none opposed.**

Handouts available at the sign in sheet included: Agenda for today's meeting, Minutes from the January 17, 2017 Annual Meeting, the 2017 Treasurer's Report and Proposed 2018 Water District Budget, and the proposed 2018 Resolutions. Forty people were in attendance representing 25 of the 69 assessed diversions in the District.

(4) Approval of FY 2017 Annual Meeting Minutes

A motion was made by Bill Jones and seconded by Rudy Shokal to approve the minutes from the January 17, 2017 Annual Meeting as written and presented. Motion carried by voice vote, with none opposed.

(5) Adoption of 2018 Resolutions

Gary Lemmon reviewed the handout titled *Water District 36A - Proposed Resolutions for 2018* which described the rules under which the District operates annually. Gary explained that proposed resolutions #1-9 & 11 were essentially the same as last year – only the years were updated.

Gary explained that Frank had proposed increasing the annual minimum assessment from \$50 to \$100 (resolution #10). Frank explained that the proposed increase was partially to offset increasing costs to administer water to smaller diversions and partly to be fairer to all diverters.

Frank explained that new **resolution #12** described how "winter water" rights were to be administered and assessed. The resolution detailed (a) what beneficial uses were involved, (b) how to accomplish the diversions, and (c) how to assess those diversions without adding costs to other water users in the district. Frank explained that some of the private water rights were already being delivered by ditch companies and that others were outside organized ditch company service areas. Nathan Erickson, IDWR, commented that winter water diversions delivered by ditch companies were already contributing toward District assessments as part of their ditch company annual assessments. Frank explained that this resolution would require combining the winter water rights, whether originally located in or outside ditch company service areas, into a common assessment category separate from the ditch companies.

Comments on Resolution #12:

A winter water right user asked why a diversion not being delivered by a ditch company would need to be administered under the new resolution #12 when the two users using that particular source got along well without disputes. Frank explained that because one winter water user within the District boundaries had already called for his water, all water users would have to be administered.

Bud Huntley of Big Bend Ditch asked about fees for wheeling water. Frank explained that the District assessment to cover his Water Master services for administration of the winter water rights would be in addition to any assessment levied by the ditch company for maintenance and/or delivery. Asked for an estimate of the total cost, Frank estimated about \$1.00/24-hr cubic ft per second (or per 2 acre feet). Butch Morris projected about \$2,000 annually to be split among the winter water users. Frank also discussed the need to measure water after it leaves the fish hatchery and goes under HWY 30 to the other uses. Installation fees would have to be billed to Big Bend members.

Frank explained the overall purpose of this resolution will be to regulate the annual storage volume limitation of each water right. The most extreme example in the District is a water right volume that would be fulfilled 4 hr and 17 minutes after starting the diversion. Each year the water user must decide over what time period he wants to divert that volume. Another administration difficulty is that many of the winter rights were not adjudicated with an additional carrying volume. Frank also cautioned the road to the diversion

structure must be maintained unobstructed throughout the year. Frank will work with canal managers and individuals to schedule a set day each week for access.

John Mavencamp moved and Butch Morris seconded that the 2018 proposed resolutions be adopted as written. There was no further discussion. Motion carried by voice vote, with none opposed.

(6) Adoption of Proposed 2018 Budget

Frank Erwin reviewed the handout titled *Water District 36A Budget Summary (as of 12/31/17)* which included both the 2017 Treasurer's Report (adopted and actual budgets) and the 2018 Proposed Budget. He explained that the assessment rate of \$ 0.050/24-hr second ft was the same as last year and that the budget included the increased minimum fee adopted by resolution. Additional funds generated would be put toward Water Master and Secretary wages.

A motion to accept the proposed budget as presented was made by David Cropper and seconded by Rudy Shokal. There was no further discussion. Motion carried by voice vote, with none opposed.

(7) Election of Water District 36A Advisory Board for FY 2018

Gary Lemmon explained that there was no minimum/maximum number of people that could be on the board and that the current board members represented a majority of the beneficial uses in the district, including winter water rights and the State (eg. IDFG). Gary Lemmon asked for nominations from the floor.

Peggy Candy moved and Bud Huntley seconded that the Advisory Board members who served in 2017 be re-elected to serve in 2018. No other nominations were offered and the nominations were closed. Motion passed by voice vote, with none opposed.

2018 Advisory Board Members are: Bud Huntley, Big Bend Irrigation & Mining Co.

Gary Lemmon, Big Springs Water Users Assoc.

John Mavencamp, Brailsford Ditch Howard Morris, Hoagland Tunnel

Billy McCarthy, Buckeye Farms (Curren Ditch, Hunt Ditch)

Brandon Tycz, Idaho Fish & Game

Dan Yore, Buckeye Ditch

(8-9) Water Master's Report & Goals for 2018

Frank reported that his main goal for 2018 will be winter water right accounting/scheduling for 2019. Frank also expressed his disappointment that other diverters were not signing or filling out annual flow reports completely. He also wanted diverters using meters to supply serial numbers annually. He reminded open channel diverters to record flow measurements weekly not monthly.

Frank reported that, in general, Billingsley Creek flow had improved this past year by as much as 5-7 cfs. He attributed this to a combination of recharge on the ESPA plain, positive hydrostatic pressure from water in the W-canal on the rim, and to the number of deep well conversions near the rim that substituted canal water for pumped well water.

Meeting adjourned at 2:15 pm.

Minutes recorded by

Linda Lemmon, Secretary

Minutes certified for submission to IDWR by

Gary Lemmon, Meeting Chairman

Attachments: 2018 Adopted Budget, 2018 Adopted Resolutions

WATER DISTRICT 36A – ADOPTED RESOLUTIONS FOR 2018

- 1 **BE IT RESOLVED**, that hereafter the annual meeting of Water District 36A shall be held on the third Tuesday in January each year.
- **2 BE IT RESOLVED**, that the amounts payable by each ditch, association, canal company, or other water user, as shown by the approved budget, shall become due and payable upon receipt and delinquent on April 15th, and said amount, if not paid, shall bear a penalty of 10% and interest from that date until paid, at a rate of 1% per month.
- 3 BE IT RESOLVED, that no ditch, association, canal company, or other water user shall have the right to demand and receive water, and the Water Master shall not deliver to such person(s) or entity(ies), until the amount due and payable from such user(s), as fixed by the budget, has been paid.
- 4 **BE IT RESOLVED**, that the Water Master shall be in service for a full year, commencing on February 1st of each year and continuing until the following January 31st, or until his successor as been duly qualified and elected.
- **5 BE IT RESOLVED**, that Frank Erwin be elected Water Master of Water District 36A for the ensuing year, beginning February 1, 2018, and ending January 31, 2019.
- **BE IT RESOLVED**, that Linda Lemmon be elected Secretary/Treasurer for Water District 36A for the ensuing year, beginning February 1, 2018, and ending January 31, 2019.
- 7 BE IT RESOLVED, that the elected Treasurer of Water District 36A should only disburse monies from the Water District accounts upon a voucher approved by the Water Master. Water District checks can be signed either by the Treasurer or Chairman, but must be co-signed by an Advisory Board Member. Advisory Board Members Howard Morris and Billy McCarthy shall serve for the purpose of co-signing all Water District 36A checks.
- **8 BE IT RESOLVED**, that Water District 36A assessments shown in the adopted budget shall constitute a final determination of the amount due for that year (per Idaho Code 42-612).
- 9 **BE IT RESOLVED**, that Water District 36A assessments shall be based on the most recent reliable data available to the Water Master and shall be assessed in 24-hour second feet (per Idaho Code 42-612).

- 10 BE IT RESOLVED, that for the year 2018, a minimum charge of \$100.00 shall be assessed to each individual or entity that owns a water right, whose share of the total budget is less than the above specified amount.
- 11 BE IT RESOLVED, that for all mitigation and replacement water rights administered within the boundary of Water District 36A, the Water Master shall require lockable and controllable structures at all points of delivery and measuring devices approved by both the Water District 36A Water Master and IDWR. Costs for structures and devices shall be paid by the owner of the water right being used for mitigation or replacement purposes
- BE IT RESOLVED, by July 1st, all owners of water rights and permits with a beneficial use of wildlife, wildlife storage, aesthetic, aesthetic storage, recreation, recreation storage, and/or diversion to storage that are delivered by a canal or ditch company shall provide the Lateral Manager of said canal or ditch company, on a form approved by the Lateral Manager and Water Master of Water District 36A, a schedule of the dates for rate of flow to fill the annual diversion limit on the water right for the following year beginning January 1 and ending December 31. By November 1st, the Lateral Manager of the canal or ditch company must approve all deliveries requested and submit to the Water Master of WD 36A, on a form supplied by the Water Master, the approved schedule detailing the delivery of all water rights subject to the beneficial uses described above. Also by November 1st, all water right owners of water rights with the beneficial uses listed above but not delivered through a canal or ditch company shall provide the Water Master of WD 36A, on a form approved by the Water Master of WD 36A, the schedule of the dates for rate of flow to fill the annual diversion limit on the water right for the following year. Water will be delivered on a weekly basis and flow rates will be adjusted weekly.

Any request for water delivery not approved by the Lateral Manager and Water Master of WD36A will not be delivered.

Assessments for delivery of these water rights will be based on the most recent reliable data available to the Water Master. However, assessments for 2019 will be based on an estimate determined by the Water Master using the approved flow requests and schedules submitted by the aforementioned dates in 2018.

WATER DISTRICT 36A BUDGET SUMMARY (as of 12/31/17)

	2017 Trea	asurer's Report	2018 Budget		
	Adopted	Actual	Adopted
