The meeting was called to order at 1 p.m. by Watermaster Michael Poulton on March 8th at the Oakley Canal Office. The following members were in attendance- Michael Poulton, Richard Auston, Jared Bedke and Kelly Adams. Do to Covid, representatives of the IDWR were not present due to safety requirements. This is totally understandable.

The first order of business was to appoint officers. The method of voting was by majority vote of the water users present (Section 4, statue 4-605). Kelly Adams was reappointed Secretary for the water year 2021. The minutes of the 2020 annual meeting were read and approved as written.

The budget was approved as the same as previous years. There is no budget monies collected. Water right holders maintain their own workings and measuring devices. The Watermaster approves the maintenance and controls the measure of water. It was voted that the same resolutions adopted in the previous years be adopted for water year 2021. Michael Poulton was reappointed as the Watermaster for the year 2021. The Watermaster presented the annual report and a copy accompanies this document.

Meeting discussion topics-

The gold mining project on the East side and their possible effects on existing water rights. This was put on hold until next year due to the fact that the project is held up by the BLM.

The water right transfer between Shoulder 3 Ranches and Kay C. Jones and Matthew Jones. This had no effect for the water year 2020. This will be discussed in the next annual meeting.

Those present accepted the district's actions in the 2020 water year and deemed them appropriate for the 2021 water year.
