1. That the watermaster perform the duties as required by Chapter 6, Title 42, IDAHO CODE and in accordance with the Order in the Matter of Ground Water Withdrawal in the Cottonwood Critical Ground Water Area dated 30th of August, 2004.
2. The Idaho Department of Water Resources be elected to provide the watermaster services for Water District 45-O and that the Director of IDWR appoint Jana Reeder, an employee of IDWR, or other employees of IDWR as may be necessary, to serve as the watermaster for the ensuing year.
3. As provided in IDAHO CODE § 42-608(4), the watermaster shall begin service on this date and continue until the next annual meeting when a successor is elected or appointed.
4. The water users of Water District 45-O hereby enter into a Memorandum of Understanding between Water District 45-O and the Director of IDWR that will provide for the following:
 - a. IDWR will provide full-time or part-time employees as necessary for watermaster duties during the dates of service as identified in Resolution #3. The watermaster shall maintain an office for the ensuing year within the IDWR Southern Regional Office, located in Twin Falls, Idaho.
 - b. IDWR will provide office space, vehicles and the use of all necessary office and field equipment, and other necessary watermaster expenses in exchange for compensation as set in the approved budget. This arrangement shall not give Water District 45-O any ownership interest in any IDWR office space and equipment.
5. The duties of the treasurer will be performed by the watermaster to approve expenses and disbursement of Water District funds, and to prepare or authorize a review of financial affairs of the district at the end of each fiscal year, in accordance with Idaho Code Section 42-619.
6. The budget for Water District 45-O for the fiscal year 2021 beginning March 11, 2021 and ending on March 10, 2022, be as follows: Thirteen Hundred and Fifty Dollars (\$1350.00) for Watermaster duties.

The annual assessments will be due to Water District 45-O on or before May 1, each year so that there will be sufficient funds early enough in the year to accommodate the expenses of the water district.
