Nathan provided copy of water used last year

Dry year last year. 3000 acre feet used

2017 4000 acre feet used

2018 6000 acre feet used

Usually over 5000 acre feet. So we are way down

The next month is key. Hope for a slow warm up

Corner by Guys house needs a more sophisticated measuring device. The representative for Brian Bean acknowledged.

By sheep corrals also needs improvement. Brian Bean needs to replace. Nathan has talked to him. His rep was told to please replace.

Guy Peterson has leakage. Even when completely shut off it has a fair amount of leakage.

This location does have a measuring device. There are illegal diversions. Water amount he receives needs to be checked. He is measuring but needs to have water master keep an eye on it. He can only divert to one head gate. Enforcement will happen since Guy knows what is expected.

Brandon said not a lot of damage to any measuring devices. Praises to Brandon Smith from Nathan. He did a great job on log book and measuring water.

Brandon proposed Deputy water master. Nathan said Brandon could have an assistant.

Julie Smith nominated Luke Smith as deputy water master. 2<sup>nd</sup> by Bruce Price.

Look at resolutions. Someone can motion to approve.
