## Minutes

---

A meeting of Water District 74-M was held at 6:00 PM via telephone.

People present on the call: Jerry Eastman, Darlene Haas, and Cindy Yenter.

Minutes from the 2019 annual meeting, financial report, and 2020 meeting agenda were sent out by postal mail to all water district members (users).

Due to lack of participation an "order" for the assessment / budget changes, appointment of assistant water master, and increase in water master hourly wage will be sent to the Boise Office of Idaho Department of Water Resources (IDW) for authorization.

The Assistant Water Master will be in charge of measuring and recording flows on a weekly basis. Records will begin in the middle of May and continue until the end of October. The record from the 2020 irrigation season will be used as a baseline for future water use and adjustments. Time required weekly for this work is estimated at 3-4 hours. Hourly wage which includes gas/ mileage is \$16.00. An increase in yearly budget to \$1500.00 is required to cover this additional cost.

Election; Water Master – Jerry Eastman  
Assistant Water Master – Charlie Darling  
President/ Secretary/ Treasurer – Darlene Haas

Cindy Yenter local representative for Idaho Department of Water Resources will answer any further questions regarding the upcoming changes in water flow measures, water usage, and increased annual budget. She can be reached Monday through Friday at 208-742-0658
