Dear Mr. Haynes:

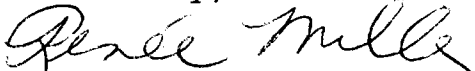

John Eixenberger asked that I provide you with copies from our records of the dam regulation. According, I am enclosing copies of the logs of Orland Pupo and Jeff Royer since the beginning of the Flood District. I have also provided copies of Orland's logs from before the time when Kootenai County took over the dam operation.

Dan Park has also received copies of these logs. He is working on graphing the lake levels and weather information to help with projecting this year's fill curve.

I have also enclosed an "Information Sheet" which gives all the current information regarding the Flood District.

If you need any other information or assistance, please let me know.

Sincerely,

  
Renee B. Miller  
Secretary/Treasurer
