**MINUTES OF ANNUAL MEETING
WATER DISTRICT 75D
March 1, 1999**

The annual meeting of Water District 75D was held at the Carmen Grange Hall, Carmen, Idaho, on Monday, March 1, 1999 at 1:30 P.M. Jack Neal was elected chairman for the meeting and Charles R. Morton was re-elected secretary-treasurer for the 1999 season. The 1998 minutes were read and approved.

The 1998 Watermaster's report and proposed budget were presented and approved.

Watermaster compensation and water district expenses for 1999 were set and approved as follows:

Watermaster's Compensation	\$ 800.00
Watermaster's Expenses	200.00
Watermaster's Social Security Tax	61.20
Contingencies	100.00
Watermaster's Workmans Compensation Insurance	300.00
TOTAL	<u>\$1,461.20</u>

The Water District staff, except for the Watermaster, volunteered to work without compensation.

Gina McFarland, P.O. Box 72, Carmen, ID 83462, telephone No. (208) 756-6563, was nominated and unanimously elected as Watermaster for the 1999 season. Her starting date will be established by a Petition for Watermaster Services and will end on November 1, 1999. Compensation will be paid when the secretary-treasurer receives the 1999 Watermaster's report and 2000 proposed budget.

The annual meeting date is to be the first Monday in March, 2000, notified by the Department of Water Resources by individual notices. The amounts budgeted to 75D water users are due and payable at the Lemhi County Tax Collector's Office on or before June 20, 1999, to coincide with the collection of second half property taxes. Eight percent (8%) interest will be charged on delinquent water user accounts.

Dave McFarland, Jack Neal and Jack Ellis were again elected to serve on the advisory board for the 1999 season. One of their responsibilities will be to instruct the Watermaster when to measure high water flows.

Bruce McFarland, President of the newly formed Water District 75, talked about by-laws conflicting with water resource laws and said that the officers were planning on relinquishing the organization. A Petition would be circulated in the near future to the majority water users.
