Department of Water Resources  
Eastern District Office

Sirs:

- 1- You will note, in looking over the minutes of our annual meeting, the group had a difficult time making any commitments, and so reached very few conclusions.
- 2- Don Monroe, the Chairman, read the budget incorrectly (wrong column). After the patrons received their bills, two of them were quite upset. They would like to pay no more than they were billed last year, so our factor should be 0.06750241. If you would send a new budget form, I will fill it out and return it with the above factor, if this is permissible.
- 3- As the district, with our low budget, requires to have an audit, and if so, why? One accountant here in town has stated the minimum charge would be \$700. Please advise.

Sincerely

Ken Monroe
