

MINUTES OF THE RAINBOW DITCH ANNUAL MEETING

District # 75-4062

March 12, 2001

RECEIVED
MAR 19 2001
Department of Water Resources
Eastern Region

Present: Kevin Rice, President
Edward Tolman
Bill Gattung
Ken Bussard
Mark Hillsland

RECEIVED
MAR 15 2001
Department of Water Resources

Elections:

Kevin Rice, President
Bill Gattung, Secretary
Edward Tolman, WaterMaster

INSURANCE: It was determined that the Watermaster and those moving water on the ditch needed compensation insurance to meet state requirements. It was also decided that we need liability insurance for this purpose to protect the water users.

EASEMENT: It was discussed that we have a need for an easement to service and maintain the headgates and the ditch on the Drnjevic property. Ken Bussard stated that he would talk to Dale Drnjevic about this problem.

MEASURING DEVICES: The concrete work for the measuring devices is complete, but they have never been installed.

CLEANING AND REPAIRING DITCH: Kevin Rice stated he would clean the ditch and inspect for and damage and repairs.

DUES: Remain the same as last year. \$5.00 per share with \$75.00 minimum.

Meeting was called to adjournment by President Kevin Rice and seconded by Ken Bussard.

 Date: 13 March 2001
President

~~██████████~~ KEVIN RICE WATER MASTER

INSURANCE: It was determined that the Water master and those moving water on the ditch needed compensation insurance to meet state requirements. It was also decided that we need liability insurance for this purpose to protect the water users.

MEASURING DEVICES: The concrete work for the measuring devices is complete, but they have never been installed.

RIPRAP: As was discussed last year, riprap was needed near the headgate at that time, and was installed by Kevin Rice and Bill Gattung.

CLEANING AND REPAIRING DITCH: Kevin Rice stated he would clean the ditch and inspect for damage and repairs.

DUES: Will remain at \$50.00 per year.

There was a discussion about water rights at the end of the high line ditch and it was determined that there was a water right listed in the July 8, 1943 Agreement between the land owners. Meeting was called to adjournment by President Kevin Rice and seconded by Ken Bussard.
