RE: WATER DISTRICT #75-B

Dear Mr. Gattung:

We acknowledge receipt of the minutes of the Annual Watermaster Election Meeting in your water district. We need additional information and other required documents before we can certify a Watermaster for this district.

We received the minutes of the meeting in which a Mr. Edward Tolman looks like he was elected as Watermaster. However, the Petition For Watermaster Services shows that Kevin Rice is Watermaster. We have sent you back a copy of the Petition and also of the minutes so you can see what we mean.

We have also included a packet of forms that will need to be completed and sent to us before a Watermaster can be certified. This packet consists of :

1. An Official Oath that the Watermaster is to sign in front of a Notary Public. If there are two Watermasters each one needs to sign an Oath.
2. A new Petition For Watermaster where the name and address of the Watermaster is to go where it requests the name and address of the Watermaster. Someone other than the Watermaster must sign the Petition.
3. A Watermaster's Report. This is for the year 2000 and should have been sent to this office prior to your annual meeting. Please have it completed so we can submit a copy of it to the court. We have attached a Guide To Completing Watermaster's Reports.

Once we have received these items and have confirmation of who the Watermaster is we can complete this process. Thank you.

Sincerely,

Harold W. Jones
Water Right Supervisor
