Re: Water rights 75-0009 & 75-4471

Dear Tim, I am writing this on the reverse side of a letter I mailed to Norm Young so you will have the information therein.

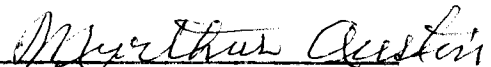

Enclosed herein is a copy of an old map showing the land owned by Gilmore and Pittsburg Railroad and another showing the land owned by Silver Peak Ranch Trust. As you can see both of the above water rights pertain to the same land. My son John and I are each Trustees of the Silver Peak Ranch Trust and as such are legal owners of the above water rights.

I would like to know if water rights 75-0009 and 75-4471 were recorded in the name of Silver Peak Ranch as I requested;and, I would also like to know if they are recognized by the State of Idaho as legal and lawful water rights?

Please may I hear from you as this is very important to me.

Thank you.

Respectfully,

Myrthus Austin
