1988

- Budget/Ann. Rpt. Refers to & identifies RT # 75-0003 as owned by M. Austin. No 24 hr use info. that yr. Daily Log Books also identify only RT 75-003 to Austin

1987

WM & Budget Reports identify M. Austin use = 43.4 24 hr cfs Austin identified as owning only RT. 75-0003.

RT # 75-0009, which was claimed by Austin, is shown as being owned by Gilmore & Pittsburgh R.R. Co. (GPR) on Proposed Budget Rpt. No Billing was made in 1987 apparently due to no-use in prior yr.

There is also a map in '87 file showing Diversion in System/Water Dist A & RTs Assoc. w/ea Diversion RT 75-0003 is Assoc w/ Farmers Ditch. RT 75-0009 is not shown on map.

Also shown is a 2/12/1973 compiled Listing of water RTs on yr + 75-A, 1973 ed. RT 75-003 is listed as owned by M. Austin; RT 75-009 is not listed. Listing appears to be an IDWR document.

Daily Log Books show only RT 75-003 as belong to Austin.

→ 1987 Distribution of Budget (Adopted Budget) does not show any billing to Gilmore & Pittsburgh RR

Also, there is a second listing of water RTs for water district compiled/dated June 16, 1987 showing RT 75-003 owned by Austin, & 75-009 owned by GPR (75 inches)

→ MAP w/ WTR RTs compiled by Eric V. & Eric C.

1986: WM Report identifies Austin as water user, but does not identify water RT #. Austin's 5 yr avg. in Budget shown as \$ 34.31 Actual use reported as 121.6 24 hr sec ft. No Daily Log Books.

1985: No Daily Log Books. WM Rpt., shows delivery to M. Austin = 107 24 hr cfs. Water RTs not identified.
