Dear Mr. Torgeson:

We have now received the Official Oath from Mr. Craig Hill for the position of Watermaster for Water District 11-B. We are unfortunately not able to complete the certification of Watermaster for this district at this time as we have not received (1) a copy of the annual meeting (2) Petition for Watermaster Services and (3) the Adopted Budget for this district.

Once we have received the remainder of the required documents we will, at that time, be able to certify the Watermaster in Water District 11-B. This letter is being sent to you as you were the Secretary for the 1998 irrigation season and we have not been notified that this has changed.

Thank you very much for your help in securing the items needed to complete this process.

Sincerely,

Harold W. Jones
Water Right Supervisor
