Re: 1995 Watermaster Report & 1996 Proposed Budget

Dear Dan:

This letter is in regards to your 1995 report submitted to the Idaho Falls office earlier this month. This report was sent to my office along with a request from the Idaho Falls office that I assist you if needed in completing your report and proposed budget.

The following items need to be completed or updated: (1) your signature is needed on the Watermaster Report, (2) corresponding water right number (s) need to be entered on page two of the report and proposed budget, (3) the watermaster salary needs to be broken down to a daily rate on the proposed budget, (4) the adjusted billing column in the proposed budget needs to be completed to carry over the surplus from the 1995 season. This has been completed in pencil but needs to be in ink.

I have enclosed updated water right lists for your district along with an example breakdown of the watermaster salary to assist you in completing the above items.

Please complete the report and proposed budget and return them to me or our Idaho Falls office as soon as possible.

If you have any questions or need assistance feel free to call me at (208) 756-6644 or Harold Jones in Idaho Falls (208) 525-7161.

Sincerely,

A handwritten signature in cursive script that reads "Robert E. Foster".
