Dear Mr. Jones;

I am writing to request your presence at the water meeting of Dist. 74-W, which is scheduled for March 6, 2000 at the Leadore City Hall.

If it isn't convenient for you to be there, please have someone from your office attend.

It would be of great value to have you bring the photos of the headgates & weirs that were taken last fall with you. (Pertaining to 74-W). Also a list of the water users who were sent letters of notification as to the condition of their measuring devices that needed work done on them to bring them up to specification. Also bring a list of who accepted these letters and the date they did so.

Thank you,
Bena Clark
