Dear Mr. Lowell:

Here are copies of all of the records we have from Water District #74-W for the years 2000, 2001 and 2002. For records prior to 2000 you will need to contact our State Office in Boise as that is where the older records are stored.

Your request concerning Water District #74-W included a "Basin Creek". However, our records show that 74-W keeps records for Big Timber, Little Timber, Canyon, Hawley and Texas Creeks. We have sent you their yearly records for every creek they report on. Hopefully this will be helpful to you.

Sincerely,

  
Darlene Newman  
Secretary
