SKIP,

This is a reminder that the elected watermaster of 74-Q has resigned and that the users will submit a letter asking that Dick Moll, the other nominee, be appointed as watermaster.

Thanx, Tim

Subject: Resignation

Please be advised of my decision to resign as the newly appointed Watermaster for the Mill Creek drainage. When I attended your meeting on March 4th I had been advised that Dick Moll did not intend to return to his duties as the Watermaster. I informed those present at that time that it was not my intention to take that job away from him nor did I intend to do so.

I have since learned that he not only intended to return but was counting on the income derived from it. I therefore respectfully decline the appointment and recommend that Mr. Moll continue in that capacity.

Sincerely,
