Dear Mr. Zaharias:

We have received the Watermaster's Report you have submitted for Water District #74-Q. We appreciate your prompt response.

Before we can send out the forms needed for your annual meeting we still need to receive the Proposed Budget for your Water District. We have enclosed a form for this in case the other did not reach you. We also need the Daily Record books or an equivalent record.

Thanks once again for sending in the Watermasters Report.

Yours truly,

Darlene Newman
Office Secretary
