**RE: WATER DISTRICT NO. 67-A ANNUAL ASSESSMENTS**

Dear Sir or Ms.:

A change has occurred in the annual assessment method of the above-referenced water district. As of the 1996 annual meeting held on January 22 of this year, the district can only assess water district costs to those water rights identified by decree, license or permit. This change is authorized by instructions from this office pursuant to I.C. § 42-605. The 1996 district budget and future budgets will reflect such a change.

Please contact this office if you have any questions about the assessments calculated by the water district.

Sincerely,

A handwritten signature in cursive script that reads "Steve Lester".

Steve Lester  
Deputy Regional Manager
