Dear Dave:

I just received a call from A. G. Salfen saying he never received a postcard with the date and time for the water district meeting. He also mentioned that Joe Jordan hadn't received it and a few other people. These people haven't moved so I'm wondering when you changed the timing of the mailing if something else happened also.

Unfortunately I don't have a mailing list of all the water users in our district; but Jerry could supply this to you. It might be a good idea to check through the entire list.

Thanks for coming up. You always supply valuable information and the compliments are appreciated also.

Sincerely,

Mary Ellen Pugh
