Dear John:

Just a reminder that effective January 1, 1994, Valley County will be acting only as a collector of your taxes and then distributing the revenues directly to you for your disbursement.

As we go through this transition please feel free to contact myself or Teri Holady if you have any questions. We will be sending all correspondence and the revenue checks to your above address unless we hear differently.

Your cooperation in this change over is certainly appreciated.

Sincerely,

Leland G. Heinrich
