RE: Annual Water District Meeting Notice

Dear Mr. Nokes:

Enclosed with this letter is a form which provides the Department information about the date, time, and location for your annual water district meeting. You should complete and return the form to the Department no later than **January 1, 1995**. The Department will print and mail notices to the water users in the district 15 days before the meeting. Please make certain the information is accurate and legible.

Also, enclosed is the Department's current mailing list for your district. We ask you to review the list and make any necessary name and/or address changes. Please return the edited mailing list along with the meeting form by **January 1, 1995**. If the existing list is not updated, the Department can not guarantee that all interested parties and/or valid water right holders will be notified of the annual meeting.

Under Idaho Code 42-605 all water users in a district must be notified by mail of the annual meeting. The Department must be notified, and meeting notices sent for all water district meetings.

If you are no longer the acting water district secretary, please see that this correspondence is sent to the current secretary or watermaster. Should you have questions, please contact me at our Western Regional Office, phone 334-2190.

Sincerely,

John Westra
