RE: REQUEST FOR APPOINTMENT AS LOCAL COMMITTEE TO RENT WATER

Dear Mr. Nokes:

On november 8, 1996, I corresponded with you concerning the above referenced matter and forwarded draft rental pool procedures to you for consideration. I assume you are now reviewing those procedures for adequacy and applicability to your water district.

With this letter I have enclosed a copy of Water Supply Bank Rule 040 (Rule 40) which describes the timing and requirements of some additional information that you need to include with the draft procedures in your submittal to the Water Resource Board (Board).

I doubt if you can compile and return all the information to the Board ten (10) days before its next meeting scheduled in Boise on December 13, 1996. Hence I will assume you will forward the information as soon as possible after the December 13 Board meeting so the information can be reviewed by department staff and considered by the Board at its next meeting which likely will be in late January 1997.

If you have questions, please feel free to contact me.

Sincerely,

L. GLEN SAXTON, Chief  
Water Allocation Bureau
