RE: REQUEST FOR APPOINTMENT AS LOCAL COMMITTEE TO RENT WATER

Dear Mr. Saxton;

Thank you for your letter of May 28, 1997. This letter is to respond to the questions posed in that letter. I have enclosed a copy of your letter for quick reference.

RESPONSES:

Question # 1. If water leased to the rental pool is not rented in a particular year, the unrented water will revert back to the lessor at the end of the irrigation season in that year. This is so stated in the water lease form and should be in the procedures.

Question # 2. The Lake Fork Rental Pool will not rent water outside of the boundaries of Water District No. 65-K, the Lake Fork Creek basin.

I hope that these answers are OK. If not, or if there are other questions, please let me know at (208) 634-5566. Thank you very much.

Sincerely;

Herald S. Nokes  
Secretary, Water District # 65-K
