RE: LOCAL COMMITTEE 65-K

Dear Mr. Nokes:

Enclosed for your records is a resolution of the Idaho Water Resource Board dated September 26, 1997 which appoints Water District No. 65-K as a local committee to rent stored water. Also enclosed is the final version of the rental pool procedures for the local committee.

It is my understanding that the first rentals of stored water will occur in 1998. If this is not correct and some water will be rented in 1997, please advise me, since each local committee has to complete a report on the amount of water rented each year and file the report with the department.

If you have questions, please feel free to contact me at (208) 327-7955.

Sincerely,

A handwritten signature in cursive script that reads "L. Glen Saxton".

Water Allocation Bureau
