Re: WD 65-K request for appointment of local committee to rent water.

Dear Mr. Saxton;

We have reviewed the revised procedures and forms. The only changes we think necessary are in paragraph 5.8 of the Rental Pool Procedures. Those changes are noted in the draft copy. Otherwise we consider the procedures and lease and rental forms to be satisfactory.

We would greatly appreciate your revision and preparation of a final copy of the procedures. We would also appreciate your forwarding the information to the Idaho Water Resource Board.

Thank you for your help. If you have any questions please call me at (208) 634-5566.

Sincerely;

Herald S. Nokes M.D.  
Secretary, Water District No. 65-K

John: the changes noted were to insert  
the word "written" before approval (to allow those having  
excess storage water to bypass 65-K rental pool & lease to #65)  
Also to delete sentence requiring a \$.50 fee to 65-K  
rental pool for such bypass
