Mr. John McCallum  
P.O. Box 143  
Garden Valley, Idaho 83622

Dear Mr. McCallum:

Will you please ensure that the Melton storage water from your Paddy Flat reservoir in McCall, be delivered to my property for my tenant / renters' use? He has not been using it.

I understand you are now living full time in Idaho. I used to think of you when I heard of the tropical storms, but they may not have been near you. I hope you are enjoying Idaho.

Sincerely,

*Annalee H. Melton*
