RE: 2001 Annual Water District Meeting

The annual meeting was held on 3/06/01 at the Donnelly Bible Church. The meeting was called to order by George Duncan, Chairman. The following items were discussed:

- The same Officers and Watermaster were re-elected for the upcoming year.
- The Watermaster's Report and Proposed Budget were approved.
- Prior Resolutions were submitted and approved concerning delivery and assessments.
- The issues of Roseberry's incorrect priority date on their Adjudication claim was discussed (Objected to by BOR). The involved parties are going to meet on the 19th before going to argue the case in the Adjudication Court later in the month. The issue of the Payette Basin being managed as a single unit, rather than by tribes. as now was also discussed; a meeting will be held later this spring. Representatives from the District are planning on attending.
- It was approved the Watermaster will be enrolled in the PERSI retirement system. Mrs. Duncan had contacted the Persi Office, they indicated that each entity must have a separate account rather than umbrella it under the Water District 65D.
