RE: FIELD MEETING TO DISCUSS WATER DISTRIBUTION

Dear Interested Party:

As discussed at the annual meeting in March, a field meeting is planned this year prior to any delivery of water by the Watermaster, Hank Bernsten. The meeting is to provide district members with adequate information to understand the details of water delivery that is subject to Watermaster control.

Although calls for delivery have not yet occurred, this office received information that the Watermaster is in the process of being called for duty. A public meeting is scheduled for 9:00 a.m. on Wednesday, May 25, 1994 at the junction of Porter Creek and Cook's Gulch Roads near the Dovel hay barn and all interested parties are encouraged to attend. The meeting should be over no later than 12:00.

Attending for the department will be Dave Tuthill (Regional Manager) and me. Also attending will be the Watermaster and, by request of this letter, the advisory committee for the district. I hope that all of you can be present in this effort to see and discuss the key delivery issues in the water district. This is a good opportunity for everyone to become familiar with district operations and I look forward to seeing you there.

Sincerely,

Steve Lester
