RE: 1994 Porter Creek Water District Assessments

Dear Water District Member:

It has been brought to the Department's attention that assessments for the 1994 season had not been sent/paid, and there are not enough funds in the district account to pay the Watermaster for the season. I have attached a sheet that summarizes the delivery costs and balances for each water right. Shortly, you will be receiving an assessment notice from Boise County on water rights that have a balance due. Water rights that have credit balances (-), will have the credit put toward the 1995 season costs.

We would appreciate your taking care of the payments promptly, so the Watermaster can be paid for the season.

Should you have any questions, please contact me at the Western Region, phone 334-2190.

Sincerely,

John Westra  
Western Region

RE: Porter Creek Water Dist. Assessments

Dear Ms. Reed:

Attached is the 1994 assessment sheet for Porter Creek Water District. I appreciate your cooperation in sending them out with this short notice. It may be a good idea to give them 10 days to make payment, which I will follow-up on.

I will keep in touch, thanks.

Sincerely,

John Westra  
Western Region
