Mr. David R. Tuthill, Jr., Manager  
Western Region Office  
Idaho Dept. of Water Resources  
2735 Airport Way  
Boise, ID 83705-5082

Dear Mr. Tuthill:

I herewith request copies of all written material included in the 1994 Water District 65-B file including, but not limited to, the following:

- 1- All watermaster records, conversation memos, etc.
- 2- All field inspection reports, records of phone calls, letters and other communications concerning the water district.
- 3- Express information concerning the watermaster's decision to classify Double Diamond's flow of water out of an open mainline as beneficial use.

Thank you.

Sincerely,

George Dovel
