I have enclosed the letter and summary sheets sent to all Waterusers on November 10, 1994 for your reference.

RE: 1994 Porter Creek Water District
Watermaster Salary

Dear Kathy:

With regard to my conversation with the Treasurer Carlyne Reed, let this letter serve as authorization to pay the Watermaster's salary from the Porter Creek Water District #65A account. It is the Department's understanding there is a current balance of \$3304.81 in the Water District's account. Mr. Berntsen's salary, expenses, and FICA total \$3437.87, which leaves a shortage of \$133.06. Please make payment for FICA of \$183.27 and the remaining amount of \$3121.54 to Mr. Berntsen for salary. The shortage of \$133.06 caused by a delinquent assessment will be addressed at the next water district meeting. Would you, also please send me a confirmation of payment by Fax, 334-2348.

I have enclosed a copy of the October 26th letter authorizing payment, which includes Mr. Berntsen's address for your reference. Feel free to call me if you have any questions, phone 334-2190.

Sincerely,

John Westra
Western Region.
