Re: 2002 Assessments for Porter Creek Water District No. 65B

Dear Carlyne:

Enclosed is a copy of the 2002 budget adopted by the above referenced water district. The budget defines assessments owed by the members, the first assessments in several years. Note the "total assessment due" column.

The mailing addresses were extracted from water right records on file with the Idaho Department of Water Resources. I hope these are current addresses consistent with your records. If not, will you please provide me a copy of current addresses on file with your office?

Pursuant to a water district resolution, payments are due by June 15 assuming members receive thirty (30) days notice. It would be ideal if assessments could reach the members by May 15 if your schedule will permit such timing.

Thank you for your attention to this, and please call me at 334-2190 if you need more information.

Sincerely,

Steve Lester
Water Rights Supervisor
