Re: Payment of 2002 Porter Creek Water District Assessment

Dear Mr. Fry:

This letter is to remind you of the \$50 payment you owe for the 2002 assessment adopted by the district members in their annual meeting earlier this year. The \$50 assessment, a minimum charge necessary to fund district operations, was adopted under I. C. § 42-612 and was due by June 15, 2002. Your assessment covers water right no. 65-11369.

According to the Boise County Treasurer's office, your payment has not been received yet. Please send your payment to the Treasurer within thirty (30) days of the date of this letter to avoid further complications in this matter.

By copy of this letter, I am asking the County Treasurer to notify me upon receiving your payment. Thank you for your prompt attention to this important matter.

Sincerely,

Steve Lester
Water Rights Supervisor
