Re: Application for Water Right #65-13609

Dear Sir:

The Board of Directors have met at our regular meeting and did not find any further comments to make on the above situation.

I have enclosed a photocopy of the letter we had previously sent to Mr. Charters of Last Chance Ditch Company.

If there is any other questions, you may contact our office.

Sincerely,

Re: Water Right Filing

Dear Mr. Charters:

Appreciate you contacting us prior to installing a pump on the Frozen Dog spill.

We have reviewed the situation and found it is not Emmett Irrigation Districts concern. It appears to be either Black Canyon or the Bureau of Reclamations responsibility for the maintenance.

Would suggest you contact one or both of them prior to putting in any permanent structures.

Thank You,

DeLoy Mecham
Board Chairman
