Mrs. Margaret L. Drake
Rt. 1, Box 58
Horseshoe Bend, Idaho 83629

Dear Mrs. Drake:

I apologize for the delay in responding to you on the amount of excess storage water you used during the 1994 irrigation season. I forwarded the power records provided by Mr. Brown to Idaho Department of Water Resources personnel in order that a correct amount of storage water use could be calculated on your pumps.

In 1994, your water right was cut on June 12 and restored on October 15. During that period, your water use was recalculated at 100.5 acre feet, all of which was considered storage water. This reduces the amount you owe the rental pool for this excess storage water to \$271.35, down from the \$322.38 originally billed to you. Adding your 1995 Water District assessment of \$39.50 to this amount, you currently owe Water District No. 65 a grand total of \$310.85.

Your prompt attention to this matter is appreciated, and if you have any questions on this or any other matter please give me a call at (208) 642-4465.

Sincerely,

Mark Limbaugh, Watermaster
