David Tuthill, Jr. P.E.
Department of Water Resources
2735 Airport Way
Boise, ID 83705-5082

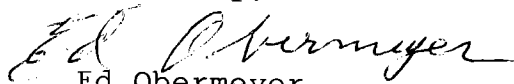

Dear Dave:

This letter will serve as a written request regarding our telephone conversation on this date, relating to Water District # 65 and the Payette River Water Users Association becoming as one entity.

Any information on the Department of Water Resources position in this matter would be very much appreciated.

Thank you.

Sincerely,

Ed Obermeyer,
Vice Chairman
