Mark Limbaugh
Watermaster District No. 65
102 N. Main Street
Payette, ID 83661

Dear Sir:

Enclosed is drawing D-B50-5103 showing the details of the installation of the flow meter for measuring the water used by Boise Cascade in Emmett, and the Smith ditch water users. Attached are the following bids to complete this project:

City Transfer (Excavation & Fill)	2,500
Cast in Place (Concrete)	2,600
Water & Waste Water (125# 24"X20' Pipe)	751
Water & Waste Water (Flow Meter)	2,100
Boise Cascade Labor (Dewater Canal)	1,200
Contingency	<u>849</u>
TOTAL	\$10,000

If Water District No. 65 will participate in the installation of this meter at 50%, a response by March 1, 1996 will be appreciated.

Thank you,

C. James Spencer
Region Engineer
