Mr. Jim Spencer  
Boise Cascade  
P.O. Box 476  
Emmett, Idaho 83617

Dear Jim:

This letter is to inform you that the Water District 65 Advisory Committee approved your request for cost-share on a new measuring device for the Boise Cascade diversion in Emmett. According to the bids you forwarded to me, a total cost of \$10,000.00 is projected on the installation of this device. Consequently, the Advisory Committee approved a maximum cost-share amount of 50%, or \$5,000.00, of this estimate.

Please let me know when you begin this project, as I would like to check on its progress this spring. If you have any questions, please give me a call.

Sincerely,

Mark Limbaugh, Watermaster
