CONVERSATION MEMORANDUM

DATE 8/29/96FILE W-O. 65

NAME OF PARTY _____

EMPLOYEE Steve Lister* = Expect followup
from H.B. Hyder
soonest.RE: MEETING c H.B. Hyder Operations - Effects on River flowsPL, Sheryl Howe (S.O.), Water masterMark Dawson Ops. Mgr., Kit Clark Atty - H.B. HyderRiver flux problems re canal maint., inflatable dam -
200 ± cfs flux downstream, results pumps problems. Wm
needs heads up & time to better manage flows/effects.Canal repairs, hydro. leaks, have lowered dam to lower
flows in canal, led to problemsRental pool H₂O to cover situation of repairs & pld at canal:
canal: canal holds & 500 of normal, with buffer,
rent & 1000 of for 2-4 day spread to cover.Acct. problems, Sheryl to work on.MEAS. Device & canal - subm. notice, some problems with this.Fish flow H₂O completed next day or two - natural flow by
this weekend so rental pool will kick in soonest.

* NEED more cooperation from H.B. Hyder w/ Wm - followup
action by IDWR if cooperation does not improve?

Mitigation area east side of River - land bought from DSGE.Disposal, River + Shaper on rights. HB Hyder has established
new p.d. for its share river rights - need transfer

* transfer to cover this. Possible new permit to cover
non-irrig. reason Expect followup on this soonest.
