Director

RE: In the matter of Petition for Conjunctive Management of Ground Water in Water District No. 13-T in the name of Warren Lloyd

Dear Interested Parties:

The department has discovered an error in service of the January 31, 2005 Preliminary Order regarding the above referenced matter. It was found that the address used for mailing the order to A. Bruce Larson was not correct, however, the certificate of service reflects his correct address. As a result the department has corrected the error, and mailed a second copy of the Order to Mr. Larson.

This letter is to inform you that all parties in this matter are granted 14-days from the date of this letter to file requests for reconsideration of the preliminary order, as described by the enclosure. This establishes March 2, 2005 is the new deadline for filing reconsiderations with the hearing officer.

For your information, the department has received one request for reconsideration from the petitioner, Mr. Lloyd.

If you have any questions, please feel free to contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
