Dear Mr. Turner:

We have now received the Official Oath you signed as Watermaster for Water District #13-S and a Petition For Watermaster's Services in your behalf. We are still waiting to receive a copy of the Adopted Budget for your water district. Please send this to us just as quickly as possible.

We also noted that it appears Water District #13-S has an Assistant Watermaster. Before we can certify an Assistant Watermaster we need to receive an Official Oath from him and also a Petition For Watermaster's Services in his behalf.

We are enclosing another blank Adopted Budget form and also the Oath and the Petition for the Assistant Watermaster.

As soon as the needed items have been received we can complete the certifications for your water district. Thank you.

Sincerely,

  
Darlene Newman  
Office Secretary
