RE: Water District No. #13-S

Dear Mr. Swensen:

We acknowledge receipt of the Minutes of the Annual Watermaster's Election Meeting held in your district. We still need to receive the Adopted Budget, Petition For Watermaster's Services and the Oath from the Watermaster to complete the certification process in your water district.

We have attached a copy of the minutes that Glenn Turner mailed to us. Unfortunately we do not have anyone's address or phone number that is mentioned as being elected this year. The water district has not given us this information. Therefore, we are not able to contact them or send them any documents or certificates they need. We are sending this letter to you because you were the only one we have an address for.

Could you please let us know how we would contact the new Watermaster and the new Secretary for this water district? Thank you for your help with this.

Thank you.

Sincerely,

Harold W Jones
Water Rights Supervisor
