Re: Bancroft-Lund Ground Water Management Area
Warren Lloyd Water Right No. 13-02313

Dear Mr. Budge,

Enclosed please find copies of several documents that were prepared either in preparation for or as a follow-up to the meeting held on October 12, 2001 at the Pocatello Airport between you, your client Warren Lloyd, IDWR Director Karl Dreher and IDWR Administrator Norm Young. I had an opportunity recently to review our file relative to this matter and determined that copies of certain documents should be provided to you and Mr. Lloyd as a follow-up from the meeting held last October.

Please contact Norm Young or me directly if you need further assistance relative to this matter.

Sincerely,

Tim Luke
