Re: Compliance conference request

Dear Sirs:

I received notice of Violation and Cease and Desist Order from Boise. This came by registered mail and was received on July 19, 2001. I would like to request a compliance conference with you at the Idaho Falls Offices at your convenience. I would also like to have Dale Petersen (our water system engineer) and my father Clyde Neibaur in attendance with us.

Sincerely

Chad B. Neibaur
