Dear Ms. Murphy:

Senior Water Agent, Dennis Dunn, has requested the Watermaster's Report for 2001 be returned to you since your signature on the form was not notarized. Please sign the document in front of a Notary Public and return it to our office.

On the Watermaster's Report you have written that the users and amount shares were on an attached listing. We found a copy of the annual meeting minutes for 2002 with a listing of users on the back of the 2002 minutes. Is that the list you wish to use for the 2001 report? Please let us know.

Thank you for your continuing cooperation in submitting the documents needed for this water districts records.

Yours truly,

Darlene Newman
Office Secretary
