Re: Chesterfield Reservoir Survey

Dear Mr. Luke:

In response to your letter dated October 12, 1995, the Portneuf Marsh-Valley Canal Company realizes the importance of completing the reservoir survey as soon as possible. We would also like to have the survey as accurate as is practicable.

As far as the DWR's proposals concerning the cost of completing the survey, the Canal's Board of Directors have agreed to furnish a boat and one man, not to exceed 5 days, and to pay for any small miscellaneous items.

Sincerely,

Ervin Gilbert
