PREHEARING ORDER

On May 2, 1996, a prehearing conference was conducted in Lava Hot Springs regarding the above-entitled matter. The parties discussed their respective positions, and possible alternative for settlement. The parties agreed that a stay of proceedings would facilitate further discovery of evidence and promote a discussion of alternative solutions. The parties also felt that some informal proceedings pursuant to Rule 100 of the Rules of Procedure of the Department of Water Resources (department) would be appropriate.

ORDER

IT IS HEREBY ORDERED that any proceeding in the above-entitled matter is STAYED until August 30, 1996.

IT IS FURTHER ORDERED that no party shall be required to file an answer to the petition until further ordered by the department.

IT IS FURTHER ORDERED that following August 30, 1996, the department will determine whether further informal proceedings are appropriate, or whether it should schedule formal proceedings to resolve the dispute.

DATED this 5th day of June, 1996.
