TO: SINKER CREEK WATER USERS (See attached list)

RE: 1994 WATERMASTER REGULATION BEGINS APRIL 1

Dear Water User:

Mary Blackstock, Sinker Creek Watermaster, has been officially appointed by IDWR for the 1994 irrigation season and will begin regulated deliveries on Friday, April 1.

Flows will be turned through Hulet Reservoir some time Friday morning. Please make sure your systems and diversion points are cleaned and ready to receive flows as they arrive. Those on the upper end of the drainage should contact Mary this week to place any specific delivery orders.

No pre-season inspection of measuring devices will be made this year. The Watermaster will be making on-site inspections as she begins deliveries and may refuse deliveries over inadequate devices. Please perform any required maintenance on your measuring devices as soon as possible.

Please contact me or Mary if you have any questions.

Sincerely,

Cindy Hodges  
Sr. Water Resource Agent
